## **Settlement Release:**

# **Israel Berger & Associates, LLC and IBA Consultants, Inc. Announce Settlement**

**New York City, NY** - Today, Israel Berger & Associates, LLC and IBA Consultants, Inc. (Innovative Building and Architecture Consultants) announced a settlement agreement on litigation involving the use of the IBA initials for marketing and branding purposes.

Both parties, who are competitors in the field of building envelope engineering and consultation, have achieved strong brand identity and international reputations with their respective names, and the agreement allows each company to keep its name and brand intact.

“While our companies will continue to compete, we are pleased to put this dispute behind us and believe this settlement is in the best interest of both companies and their respective clients” Israel Berger and Mark Baker said in a joint statement.

Israel Berger and Associates, LLC is headquartered in New York City and can be found on the web at [www.ibany.com](http://www.ibany.com). IBA Consultants is headquartered in Boca Raton, Florida and can be found on the web at [www.ibaconsultants.com](http://www.ibaconsultants.com).
